## WHY US

Each member of the team are Expert Leaders, Advisors and Mentors. Most are Veterans and have over 200 years of combined service across the globe. Specifically 50 of those years in training, all from Recruit to Senior Leader.

We have former corporate leaders from both the Public and Private sector - our CEO being Ex Amazon and Ex Met Office

# WHAT TO EXPECT

## Day 1: Unleashing Potential

### Theme: Self-Discovery and Skill Development

- Understanding personal styles
- Building resilience and mental toughness
- Navigating leadership transitions
- Effective communication and influencing skills
- Conceptual game night for team bonding and reinforcement of key learnings

## Day 2: Inspiring Innovation

### Theme: Cultivating Creativity and Problem-Solving

- Fostering a culture of innovation
- Applying design thinking for problem-solving
- Embracing diversity and inclusion in leadership
- Leading through change and adaptability
- Innovation hackathon to apply learned concepts in real-world scenarios

## Day 3: Empowering Action

### Theme: Visionary Leadership and Goal Achievement

- Reflecting on personal and professional goals
- Turning vision into reality
- Building high-performance teams
- Charting individual leadership journeys
- Fostering ongoing connections

Connecting for our ongoing support to your leadership journey
